20 years serving H4KI, and now leading it

"We are humbled and grateful for this season of celebration and sorrow."

Angie Simon Executive Director

$66K about $66,000 given on the first Founder's Day

"Our first Founder's Day raised about $66,000 for the medical center."

Tom Eggum Founder and President

Dear friends and partners,

This is my first year leading Hope 4 Kids International as Executive Director, after twenty years of service with this ministry. Our theme has been expanding partnerships, building strategic alliances, and growing in ways that last, especially in Child Sponsorship and in operating support for the Eggum Family Medical Center, which opened its doors to the community on April 10 and 11.

August was the highest giving month in our history, close to $1 million, including the largest single day of giving ever. Uganda is now Ebola free, and after canceling our summer trips, the November team is moving forward.

It has also been a season of sorrow: devastating flooding in Nepal, a heartbreaking tragedy among our church partners in Mexico, and the loss of Pastor Neri Francisco of Ministerios Belen, a longtime partner in Guatemala. Our partnerships are about so much more than buildings. They are relationships built over many years. We have much to be thankful for, much to look forward to, and most importantly, many more lives to impact together.

Uganda: the Eggum Family Medical Center, which opened to the community on April 10 and 11.

"I will send victory from the sky like rain."

VERSE TO CONFIRM

Isaiah 45:8

Tom Eggum at a medical outreach, October 2025.

Friends,

Going into 2026, I predicted this would be our best year yet. Because of you, it is shaping up that way. On August 22 we held our first ever Founder's Day, and about $66,000 was given to help the Eggum Family Medical Center keep serving the community.

From the beginning, our mission has included training ministers. That is why the Ministry Training Center now under construction in Uganda matters so much to me, and why we have partnered with TLI on pastor training.

This spring I had the joy of sharing our story at four speaking engagements, including preaching at my home church. Thank you for standing with us.

18

dated moments, from a January evening to a November flight

“Here is the year in the order it happened, celebration and sorrow side by side.”

Angie Simon Executive Director

The year, in order. The thread below is the timeline: hard news sits on it in coral, and anything not yet confirmed is marked so the board can see what is settled and what is still moving.

JANUARY 27
More than 80 friends gathered with Pastor Ruth and gave $131,000 for Food 4 Kids.

MARCH
Second phase of Saraswati Basic School dedicated in Surkhet, Nepal.

APRIL 10 AND 11
Eggum Family Medical Center opens with a 2 day camp for about 350 patients.

MAY
15th well completed in Cambodia with partner Rock Foundation.

JUNE AND JULY
Uganda trips postponed, then canceled, during an Ebola outbreak. Uganda is now Ebola free.

AUGUST
Highest giving month in H4KI history, about $976K, with a record $536,000+ day.

THIRD QUARTER
New Automotive Mechanics program at Brandom fully funded.

THIRD QUARTER
Tororo Girls Secondary School water project underway.

OCTOBER
Move to a new supporter database with easier giving and Apple Pay.
TO CONFIRM

MARCH
World Water Day goal met and matched: $109,563 funded 10 wells.

EARLY 2026
Ground broken on the Ministry Training Center in Uganda.

MAY
Electronic medical records launched at the medical center.

MAY 28
Angie Simon’s first board meeting as Executive Director.

JULY
87 students graduate from Brandom Vocational Skills Center.
TO CONFIRM

AUGUST 22
First ever Founder’s Day raises about $66,000 for the medical center.

THIRD QUARTER
New 4 classroom block completed at Watson Primary School.

SEPTEMBER
First H4KI team trip to Cambodia, combined with the Philippines.

NOVEMBER
Uganda team returns now that Uganda is Ebola free.
TO CONFIRM

Dates are as reported. Items marked to confirm were planned or targeted in the source and are not yet confirmed as complete.

Sources: May 2026 board packet; Q3 2026 board update; September 14, 2026 board email.

10

countries, with our home office in Phoenix

"Our partnerships are about much more than buildings. They are relationships built over many years."

Angie Simon Executive Director

HARD NEWS WE CARRIED TOGETHER THIS YEAR

UGANDA
An Ebola outbreak raised the U.S. travel advisory to Level 4. The June trip was postponed and July canceled. Uganda has since been declared Ebola free.

NEPAL
Devastating flooding in 2026 brought tremendous loss and hardship to a country we have come to know and love deeply.

MEXICO
Our church partners walked through a heartbreaking tragedy. We stand alongside them with prayer, encouragement and support.

GUATEMALA
Pastor Neri Francisco of Ministerios Belen, a longtime partner, passed away. He was honored as one of H4KI's Heroes of the Faith.

Liberia appears on the books with no activity in 2026 and is not shown.

UGANDA
Our hub. H4KI campus, Eggum Family Medical Center, Brandom Vocational Skills Center, Adopt A Village schools, the Ministry Training Center, wells and Food 4 Kids.

PHILIPPINES
Five homes and a solar power system completed, a water program relaunching, child sponsorship, and a September team.

CAMBODIA
A 15th well with Rock Foundation, partners adding child sponsorship, and our first team trip in September.

NEPAL
School phases 2 and 3, 150 water filtration systems, and a large scale water project starting.

ROMANIA
The ASA Community Center, record Bible Summer Camp support, and a summer team.

GUATEMALA
75 water filtration systems, a May team, and our longtime partner Ministerios Belen.

MEXICO
Food boxes for 100 families, soup kitchen support, a church roof, and a July Vacation Bible School team.

NAMIBIA
Tanidare Soup Kitchen, hot water and solar for a boarding facility, and a food shipment program.

KENYA
Health radio talks from the medical center reach western Kenya.

INDIA
Project support continues; program details are pending.

Sources: May 2026 board packet; Q3 2026 board update; September 14, 2026 board email.

4

trips completed by May, with 7 more planned. The full year count is pending

“Our teams went where they could, adjusted where they had to, and kept showing up.”

Amy Bista Sponsorship and Teams DRAFT

GOAL December 2025 board minutes

Focus for 2026: **a crisis plan** and better trip information for every team member.

ACTUAL May 2026 packet, Q3 update

4 trips and **49** team members by May. Summer teams served in Romania, Guatemala and Mexico. The June and July Uganda trips did not go.

NEXT 2027, signed on the last spread

A July Uganda team, a university medical trip to Uganda, an April Dress a Girl trip, and a 2027 college trip with ASU and GCU.

Where teams went

Summer teams served in Romania and Guatemala, and in July a team ran Vacation Bible School in Mexico. A church youth group traveled with us for the first time. The May Guatemala trip and the July Uganda trip filled so fast we opened a waitlist.

When Uganda closed

In June, we and our partners jointly decided to postpone the Uganda trip with Orange Lutheran High School after the U.S. State Department raised Uganda’s travel advisory to Level 4 during an Ebola outbreak. The July trip was canceled because of Ebola and insurance restrictions. We have decades of experience navigating health and security situations, and this one called for a different response. Uganda has since been declared Ebola free, and the November team is set to depart.

Amy Bista PLACEHOLDER

Amy Bista, Sponsorship and Teams

Namibia, August 2026: a team member walks hand in hand with three young children.

Mexico, July: a Vacation Bible School team and the local children and staff who hosted them. Romania, May: girls with their HopePack bags.

Team Member Ambassadors

Each team member is invited to take an envelope with 3 children who need sponsors. The goal is 100 children sponsored each year by team members’ friends and family. Pharmacy students on the Guatemala trip are also building a research project from their experience.

49 team members by May

208 team members on 13 trips to 8 countries in 2025

St. John Fisher College · Orange Lutheran High School · Chester Methodist Church youth group

Sources: May 2026 board packet; Q3 2026 board update; September 14 board email. Trip counts are as of May; the full year count is pending.

$4,028,186

given through August, interim and unaudited

“Giving is $590,664 ahead of last year. These figures are interim and unaudited.”

Teresa Griffin Finance

GOAL 2026 budget, May packet

Net income of **$37,425** for January through April, per the 2026 budget.

ACTUAL May packet, April 30

$89,692 net income, January to April. Contribution income of **$1.93M** ran 13.5% over budget.

NEXT Board calendar

Year end figures go to the board at the December 4, 2026 meeting.

2026	MEASURE	CONTEXT
$1.93M	**Contribution income, Jan to Apr**	13.5% over budget
$89,692	**Net income, Jan to Apr**	Budget was $37,425
$54,824	**Management and administration**	Under budget, Jan to Apr
$14,641	**Fundraising costs**	Under budget, Jan to Apr
$1.81M	**Total assets, April 30**	Up 16% from a year earlier
$1.58M	**Net assets, April 30**	Up 17% from a year earlier
$224,832	**Total liabilities, April 30**	Mostly the office lease
$691,463	**Endowed funds, Arizona Community Foundation**	As of March 31

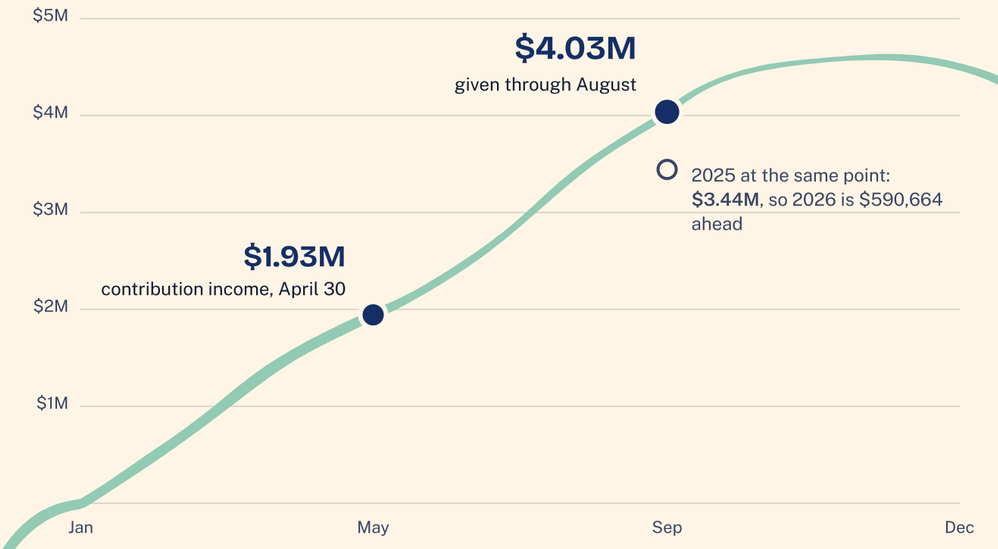
Restricted project giving drove growth, especially in Uganda. Since January 2026, H4KI takes annual distributions from two scholarship funds, and program allocations were adjusted so sponsorship covers about $40,000 a year toward medical center operations.

Teresa Griffin

PLACEHOLDER

Teresa Griffin, Finance

GIVING ACROSS THE YEAR



The line joins two reports with different measures: contribution income through April and total giving through August. It shows the shape of the year, not a single series. The 2025 point is computed from the Q3 update.

Sources: May 2026 board packet (April 30 books); Q3 2026 board update. Interim and unaudited. Financial figures need sign off from Teresa Griffin before print. For informational purposes only; not legal or financial advice.

Pending

children in sponsorship. The 2026 count is not yet in

“Funds were raised for nearly every child with an urgent medical need this year.”

Amy Bista · Sponsorship and Teams

GOAL — May 2026 board packet

100 children sponsored each year through Team Member Ambassadors.

ACTUAL — Q3 update, May packet

17 children’s urgent medical needs fully covered. **22** students’ vocational training covered by one generous gift. **$28,902** raised for higher education.

NEXT — 2027, signed on the last spread

Sponsorship in Cambodia with both local partners, and next year’s baby class enrolled at three primary schools.

Care for every child

Preventive health checkups were completed for every student at LPA, and follow up needs are being addressed. Except for a handful of pending LPA students, funds were raised for every child with an urgent medical need: 17 children, with $6,301 raised in June and July.

People who work with children

Staff who work directly with children in Uganda received trauma and abuse training through a partnership with Mending the Soul.

A partnership for girls

Our Tororo Girls’ School partnership holds 60 places for H4KI sponsored girls at half tuition and boarding, in exchange for a large scale campus water project.

Mexico, July 2026: team members and local ministry staff serve together.

Amy Bista PLACEHOLDER

Amy Bista, Sponsorship and Teams

A path from the first classroom

Baby class → Primary → Secondary → Vocational or university

The Uganda team is already interviewing and enrolling next year’s baby class at three primary schools. A discount was secured for some university students, and we are exploring a partnership with Amazima Ministries for programming for older students moving into adulthood. Both new local partners in Cambodia are moving forward with child sponsorship.

Supporters also gave $17,900 so far for the Romania Bible Summer Camp, a record for the second year in a row. Volunteers gave 166.5 hours from January to April.

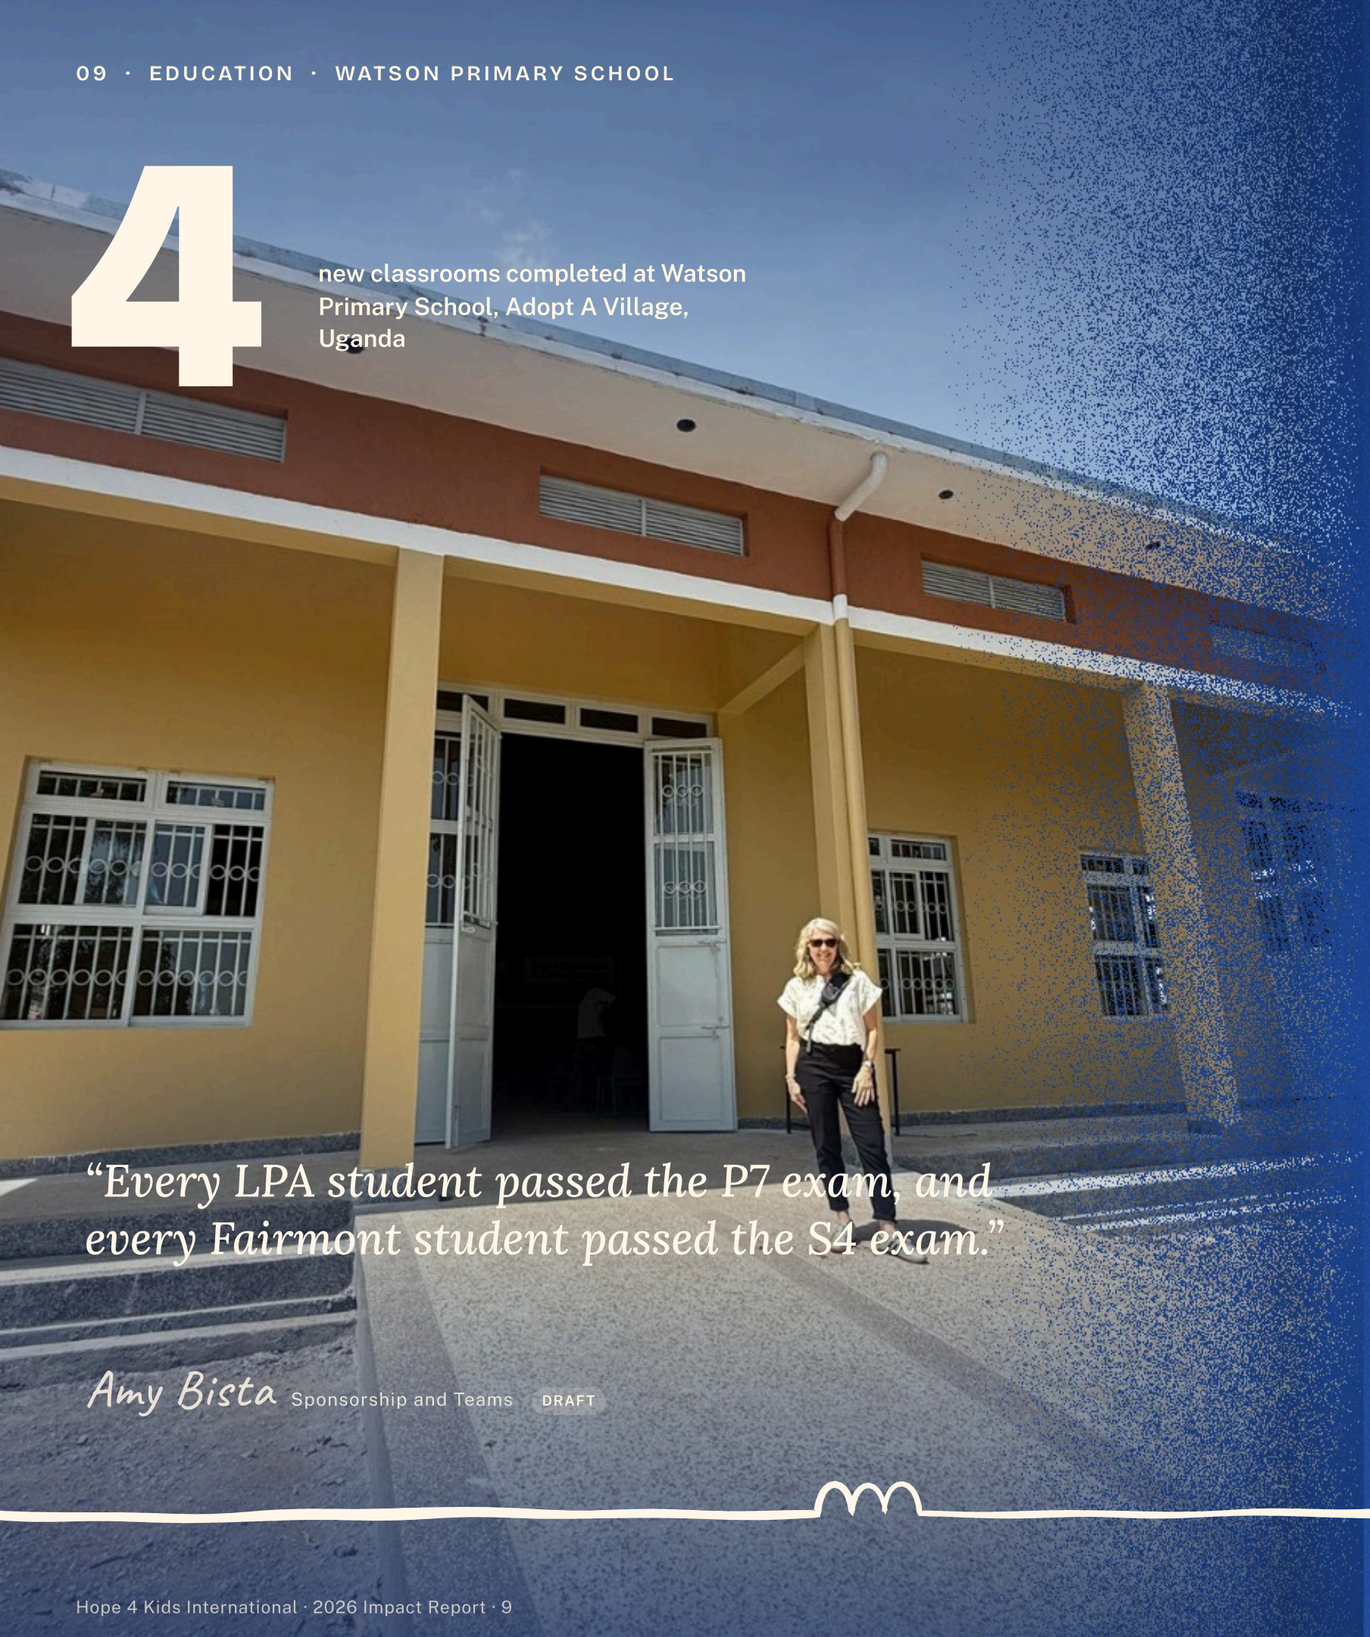
Count note: the last count on file, from December 2025, was 2,704 children. The 2026 count is being confirmed before it is printed.

REVIEW

Sources: May 2026 board packet; Q3 2026 board update. Child photos stay off sponsorship spreads by house rule.

4

new classrooms completed at Watson Primary School, Adopt A Village, Uganda



“Every LPA student passed the P7 exam, and every Fairmont student passed the S4 exam.”

Amy Bista Sponsorship and Teams DRAFT

GOAL — The author supplies the 2026 goal

Pending

ACTUAL — Q3 update, May packet

Four new classrooms at Watson. Every LPA student passed P7 and every Fairmont student passed S4. Automotive Mechanics at Brandom is fully funded.

NEXT — 2027

Launch Automotive Mechanics, the next vocational program, bridge programs for graduates, and new support for teachers.

Watson Primary School

- A new 4 classroom block is complete.
- We are preparing to break ground on 3 latrines, pavers, and a library and administration block.
- Coffee and banana cash crops are thriving and supporting the school.

Across our schools

- **Brandom Vocational Skills Center:** 87 students graduate in July; a new Automotive Mechanics program is fully funded by a $101,000 gift from the Morgan Family Foundation.
- **Kasolo, Musana Primary School:** dining shade complete and a 3 classroom block under construction.
- **Nyafumba:** designing a boarding section for P6 and P7 students.
- **Nepal:** second phase of Saraswati Basic School dedicated in March, third phase funded in April.
- **Dorms:** the Lee Family Foundation committed to build 2 dorms at LPA.
- Looking at new ways to serve teachers and researching bridge programs for graduates entering the working world.

Sources: May 2026 board packet; Q3 2026 board update. Graduation count is from a report that said students were set to graduate in July. Child photos stay off school spreads by house rule.

~350

patients at the 2 day opening camp, April 10 and 11

"We are licensed, open, and keeping records so no child falls through the cracks."

Josh Pfeiffer Medical Center operations

GOAL December 2025 board minutes

Finish licensing, **open to the public**, complete baseline health exams for all sponsored children, and explore partnerships.

ACTUAL May packet, Q3 update

Opened April 10 and 11. **License to operate** received. Screenings done for every child at one school. Partnering with area hospitals and clinics.

NEXT 2027, signed on the last spread

A weekly health education radio program, government registration as an immunization site, and screenings at other schools.

What opened in April

The Eggum Family Medical Center opened its doors with a 2 day camp for about 350 patients, then reached about 175 more at an outreach. Paper records have been replaced with an electronic medical record system, and radio health talks reach eastern Uganda and western Kenya. We added a lab technician and a full time radiographer for X ray and ultrasound.

What we added

- An immunoassay analyzer for more diagnostics
- A water bath for blood bank requirements
- A phototherapy bed for newborn referrals
- Surge protectors and battery backups
- Fans, lab counters, a storage shed, pavers and a road sign, built by our Projects team

Josh Pfeiffer PLACEHOLDER

89

wells funded so far in 2026

“We funded 89 wells by the third quarter, and drilling ran ahead of last year through May.”

Laura Mills Water 4 Kids International Director DRAFT

GOAL December 2025 minutes, May packet

5 wells for World Water Day at $52,500, and **75** filtration systems for the Guatemala trip.

ACTUAL May packet, Q3 update

89 wells funded so far in 2026. World Water Day raised **$109,563** and funded 10 wells. **44 drilled** by May 19, ahead of 31 at the same point in 2025.

NEXT 2027, signed on the last spread

Water for the girls’ secondary school and the school in Masindi, a deep well in the Philippines, and the next large scale project in Nepal.

Wells

By May 19 we had drilled 44 wells for the year, ahead of the 31 drilled by the same point in 2025. For World Water Day our goal was 5 wells; a generous match doubled it, and 10 wells now serve villages. In the third quarter an unexpected $250,000 gift from an individual partner is funding deep wells in Uganda, and $299,000 from the Morgan Family Foundation is funding the Tororo Girls Secondary School water project.

Beyond Uganda

We completed our 15th well in Cambodia with Rock Foundation. In Nepal we brought 150 water filtration systems on the March trip as we start our next large scale project, and 75 went to Guatemala. In the Philippines the water program is relaunching: a deep well site has been identified.

Laura Mills PLACEHOLDER

Laura Mills, Water 4 Kids International Director

A filter bucket changes hands in Nepal, March 2026.

Guatemala, June 2026: a filter installed on a family porch, and a courtyard of filters on their way to homes.

Walk 4 Water, January through May

6 events · **753** walkers · **$115,700** raised, gross · **11** wells funded

H4KI Campus Complete
Wastewater and soak pit project for sanitation and health

Tororo Girls Secondary School Underway
2,300 boarding students; clean water earns sponsored H4KI girls 50% tuition

Masindi Centre for the Handicapped Assessed
School for children with special needs; site assessed, budgets in progress

Katerema Secondary School Complete
1,175 students, near the H4KI campus

Sources: May 2026 board packet; Q3 2026 board update. Wells funded, drilled and sponsored are different counts and are never added; the count since Water 4 Kids began (about 1,397) is pending confirmation.

25

new Ambassadors joined the mission

"Twenty five new Ambassadors joined the mission, and each one widens the circle."

Jenny Herzog Global Engagement DRAFT

GOAL December 2025 board minutes

Develop **corporate sponsorships**.

ACTUAL May packet, Q3 update

13 corporate sponsorship options created, **25** new Ambassadors, and **17** GoFundMe campaigns for wells, buildings and school needs.

NEXT 2027, signed on the last spread

Launch the Corporate Sponsorship program, advance the university partnerships, and sign the first corporate partners.

A tiered corporate program

We built a tiered Corporate Sponsorship program for vocational, medical, Food 4 Kids and Water 4 Kids giving, with flyers, video testimonials and a giving menu. The Ambassador program relaunched with missions that help spread the word about key campaigns, plus a Difference Maker Kit.

Campuses and churches

We are building partnerships with Arizona State University, Grand Canyon University, St. John Fisher and Scholars Academy, and designing a 2027 Uganda trip for college students. A presentation at St. Matthew's Lutheran Church in Virginia raised $7,750 for Namibia, and a national women's Christian magazine published a story about finding purpose on an H4KI Uganda trip.

Romania, May 2026: girls with their HopePack bags.

2027

"Every Next column in this report, gathered on one page and signed."

In December 2025 the leadership team's goals for 2026 were recorded in the board minutes. Here is what each department is working toward, in the order the sections appear. Dignity, Health, Joy and Love are why.

06 **Mission Teams** — *Amy Bista*
A July Uganda team, a university medical trip to Uganda, an April Dress a Girl trip, and a 2027 college trip with ASU and GCU.

07 **Financial Stewardship** — *Teresa Griffin*
Year end figures at the December 4 board meeting.

08 **Child Sponsorship** — *Amy Bista*
Sponsorship in Cambodia with both local partners; next year's baby class at three primary schools; 100 children through Ambassadors.

09 **Education** — *Amy Bista*
The Automotive Mechanics launch, the next vocational program, bridge programs for graduates, and new support for teachers.

10 **Health Services** — *Josh Pfeiffer*
A weekly health education radio program, registration as an official immunization site, and screenings at other schools.

12 **Water 4 Kids International** — *Laura Mills*
Finish Tororo Girls, begin Masindi, deep wells in Uganda, a deep well in the Philippines, and the next project in Nepal.

13 **Global Engagement** — *Jenny Herzog*
Sign the first corporate sponsorship partners and advance the university partnerships.

14 **Projects** — *Kelley Pierce*
Finish the Ministry Training Center and Student Chapel, the Musana classrooms, a computer lab, and a sewing center in Romania.

15 **Marketing and Development** — *Mark Sorensen*
The Holiday Gift Guide and year end campaigns, a Next Gen Council, and a Legacy Family Program.

Board and governance
H4KI's Board of Directors serves as an advisory board and is seeking additional members. The year end board meeting is December 4, 2026 at the Anthem Civic Center.
