HOPE 4 KIDS INTERNATIONAL

IMPACT REPORT

Presented to the Board of Directors · Phoenix, Arizona

2026

New Ground

The year a medical center opened its doors, 89 wells were funded, and partners gave more in one month than ever before.

Dignity · Health · Joy · Love

Angie Simon PLACEHOLDER

Angie Simon, Executive Director

Tom Eggum PLACEHOLDER

Tom Eggum, Founder and President

20 years with H4KI before her first as Executive Director

"In my first year leading H4KI, August became the highest giving month in our history."

Angie Simon Executive Director

This is my first year leading Hope 4 Kids International as Executive Director, after twenty years of serving alongside this team. We set out to grow our partnerships and to build for the long term, especially in Child Sponsorship and in operating support for the Eggum Family Medical Center.

On April 10 and 11 the medical center opened its doors to the community. In August, partners gave close to $1 million, the highest giving month in our history, including the largest single day of giving we have ever seen. In September, a team traveled to Cambodia for the first time, together with our Philippines trip.

This has also been a season of sorrow. Flooding brought tremendous loss to Nepal, a country we have come to love deeply. Our church partners in Mexico walked through a heartbreaking tragedy, and we stand with them in prayer and support. Pastor Neri Francisco of Ministerios Belen, our longtime partner in Guatemala, passed away after a period of declining health, and we honor him as one of our Heroes of the Faith. Ebola closed Uganda to our summer teams; Uganda is now Ebola free, and the November team is going.

Our partnerships are about so much more than buildings. They are relationships built over many years. We have much to be thankful for, much to look forward to, and many more lives to impact together.

Angie Simon PLACEHOLDER

Angie Simon, Executive Director

TOM EGGUM

75 years celebrated on the first ever Founder's Day

"I said 2026 would be our best year yet. On Founder's Day, our partners answered."

Tom Eggum Founder and President

Going into 2026, I predicted it would be our best year yet. On August 22 you celebrated my 75th birthday with our first ever Founder's Day, and together you gave about $66,000 for the Eggum Family Medical Center. I am humbled and grateful.

Training ministers was part of our mission from the beginning, and this year it moved forward again. We partnered with TLI on pastor training, and the Ministry Training Center is now under construction in Uganda.

I shared our story at four speaking engagements this spring, including preaching at my home church. Thank you for being part of this story.

Nepal, March 2026: face painting at an activity day.

"I will send victory from the sky like rain."

17

dated moments, January to November

"From a January dinner to a November return to Uganda, here is our year in order."

Jan 27
More than 80 friends gathered for an evening with Pastor Ruth, raising $131,000 for Food 4 Kids, enough for 2 containers and monthly support for the next 2 years.

March
Second phase of Saraswati Basic School dedicated in Surkhet, Nepal, with We Ignite Nations.

Apr 10
Eggum Family Medical Center opens to the community with a 2 day medical camp serving about 350 patients.

May
15th well completed in Cambodia with partner Rock Foundation.

July CONFIRM
87 students graduate from Brandom Vocational Skills Center.

Aug 22
First ever Founder's Day, celebrating Tom's 75th birthday, raises about $66,000 for the medical center.

Third quarter
New 4 classroom block completed at Watson Primary School.

September
First H4KI team trip to Cambodia.

November CONFIRM
Uganda team returns in November now that Uganda is Ebola free.

March
World Water Day goal met and matched: $109,563 funded 10 wells.

Early 2026
Ground broken on the Ministry Training Center in Uganda.

May
Electronic medical records launched at the medical center.

May 28
Angie Simon's first board meeting as Executive Director.

August
Highest giving month in H4KI history, about $976K, including the largest single giving day ever ($536,000+).

Third quarter
New Automotive Mechanics program at Brandom Vocational Skills Center fully funded.

Third quarter
Tororo Girls Secondary School water project underway.

October CONFIRM
Move to the new giving database completed, with easier online giving and Apple Pay.

Norterra Walk 4 Water, March 2026.

Uganda, April 2026: groundbreaking with local leaders.

Namibia, August 2026: a handmade wire car.

countries, one home office in Phoenix

"Ten countries, one home office in Phoenix, and partners who have walked with us for years."

Mexico
Food boxes for 100 families, a church roof, a crisis relief van, and a July team.

Guatemala
A home for Gustavo, 75 water filters, a May team, and the loss of Pastor Neri.

Romania
The ASA Community Center and a record Bible Summer Camp.

Uganda
Our campus, the Eggum Family Medical Center, a vocational skills center, three village schools, wells and Food 4 Kids.

Kenya
Radio health talks from the medical center reach western Kenya.

Namibia
The Tanidare Soup Kitchen and hot water and solar at the boarding facilities.

India
Projects support continued in 2026; program detail to come.

Nepal
A school's second and third phases, 150 water filters, and a year of devastating floods.

Cambodia
A 15th well with Rock Foundation, sponsorship with two new partners, and our first team trip.

Philippines
Five homes and a solar power system finished; child sponsorship; a September team.

Pins mark countries, not project sites. Sources: May 2026 board packet; Q3 2026 board update; September 2026 ministry update.

49

team members by May, interim count

"Trips filled so fast we kept a waitlist, and when Ebola halted Uganda travel, we waited together."

Amy Bista Child Sponsorship and Teams

GOAL S1 p7, p14

A **crisis plan** and better trip information for team members, set for 2026; **11 trips** on the calendar in May.

ACTUAL S1 p14, S2 p1, S3 p1

4 trips and **49 team members** by May. June Uganda postponed, July Uganda canceled for Ebola. First Cambodia team in September.

NEXT S1 p14, p19

July Uganda, a university medical trip, an April Dress a Girl trip, and a 2027 Uganda trip for college students.

A year of full trips

Our May Guatemala and July Uganda trips filled so fast that we started a waitlist. Summer teams to Romania and Guatemala went well, we sent our first team with a church youth group, and a July Vacation Bible School team served in Mexico. In September we sent our first team to Cambodia, combined with the Philippines trip.

Every team member, an Ambassador

We now invite each team member to carry an envelope with three children who are waiting for sponsors. Our goal is 100 children sponsored each year by the friends and family of the people who travel with us. Pharmacy students from the Guatemala trip are turning their experience into a research project, and Nina joined our Teams staff in January.

Amy Bista PLACEHOLDER

Amy Bista, Child Sponsorship and Teams

When we could not go

In June, after the U.S. State Department raised Uganda's travel advisory to Level 4 during an Ebola outbreak, we and our partners decided together to postpone the Orange Lutheran High School trip. We have run Uganda trips through earlier outbreaks; this one called for a different response. The July Uganda trip was canceled because of Ebola and insurance limits. Uganda is now Ebola free, and the November team is set to go.

For comparison, 2025 sent 208 team members on 13 trips to 8 countries; 49% were new to H4KI.

Romania, May 2026: a group hug for a team member.

Namibia, August 2026: the walk home.

Mexico, July 2026: the Vacation Bible School team and friends.

2026 TRIP PARTNERS

$4.03M

given through August, interim and unaudited

"Giving ran $590,664 ahead of last year, and admin and fundraising came in under budget."

Teresa Griffin Finance

GOAL S1 p26

The board approved 2026 budget, including **$37,425** net income for January to April.

ACTUAL S1 p23 to 26

$89,692 net income; contribution income **$1.93M**, 13.5% over budget; admin and fundraising under budget.

NEXT S3 p1

Year end figures at the December 4 board meeting, then the audit and Form 990.

Ahead of last year

Partners gave $4,028,186 through August, $590,664 more than at the same point in 2025. Restricted project giving drove the growth, especially for Uganda: capital projects ran $119,110 over budget and the medical clinic $29,012 over, January through April.

Spending carefully

Through April, management and administration came in $54,824 under budget and fundraising $14,641 under. Program spending ran ahead of budget, funded in part by $262,766 of 2025 restricted gifts released for 2026 work.

New this year

Starting in January, H4KI takes annual distributions from two named scholarship funds held at the Arizona Community Foundation. We also adjusted program allocations so sponsorship covers $1 to $2 per child in Uganda for health checkups, about $40,000 a year toward the medical center.

Teresa Griffin PLACEHOLDER

Teresa Griffin, Finance

SCORECARD, JANUARY TO APRIL

	PLAN	ACTUAL	
Contribution income, Jan to Apr	Budget	**$1.93M**	13.5% over budget
Net income, Jan to Apr	$37,425	**$89,692**	ahead of budget

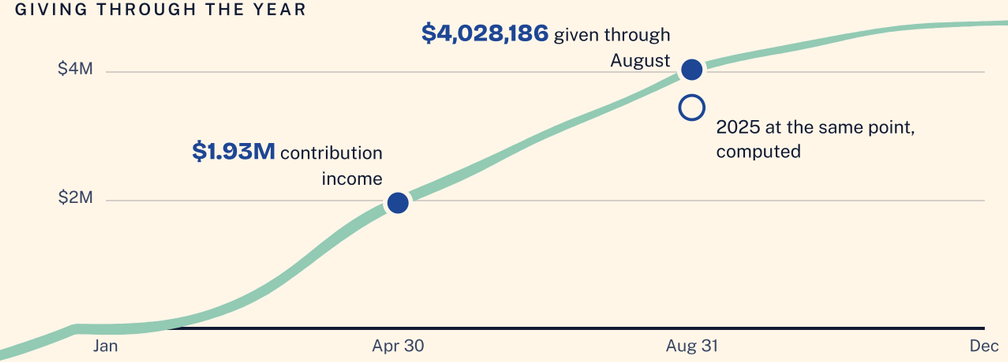
GIVING THROUGH THE YEAR



Interim and unaudited; Teresa Griffin to sign off. April point is contribution income January to April; August point is giving year to date. The 2025 marker is computed from the reported $590,664 increase.

17

children's urgent medical needs fully covered in June and July

"Partners fully covered the urgent medical needs of 17 children this summer, in just two months."

Amy Bista Child Sponsorship and Teams

GOAL S1 p11

100 children sponsored each year by friends and family of team members, through Team Member Ambassadors.

ACTUAL S1 p13, S2 p3

22 students trained through one gift, **$28,902** for higher education, and a record **$17,900** for camp. Ambassador count pending.

NEXT S1 p11, S2 p2

Sponsorship with both new partners in Cambodia, 60 places at the Tororo Girls School, and next year's baby class.

Health first

Every student at LPA received a preventive health checkup this spring, and follow up care is underway. Except for a handful of LPA students still pending, partners funded every child with an urgent medical need. In June and July alone, $6,301 covered 17 children.

Growing into adulthood

One generous gift covered vocational training for 22 students who did not yet have individual sponsors. The Higher Education campaign raised $28,902: three years for one university student and more than a first year for five more. We secured a tuition discount for some university students and are exploring programming for older students with Amazima Ministries.

Caring for the people who care

Staff who work directly with children in Uganda received trauma and abuse training through our partnership with Mending the Soul. The Uganda team is already interviewing and enrolling next year's baby class at three primary schools, and both new partners in Cambodia are moving forward with sponsorship.

Photos on this spread show places and adults, not children, by H4KI's house rule for sponsorship pages.

4

classrooms in the new block at Watson Primary School

“Watson Primary's new four classroom block is finished, and the library comes next.”

Amy Bista Child Sponsorship and Teams

WATSON PRIMARY SCHOOL · ADOPT A VILLAGE, UGANDA

The new four classroom block at Watson Primary School is complete. Through Adopt A Village, the school is preparing to break ground on three latrines, pavers, and a library and administration block, while its coffee and banana crops are thriving and help support the school.

Every student passed

Every LPA student passed the P7 exam and every Fairmont student passed the S4 exam. Constant Emokor joined us as Education Manager in Uganda.

Brandom Vocational Skills Center

87 students graduated in July. A $101,000 gift from the Morgan Family Foundation fully funded a new Automotive Mechanics program, and a consultant is building the plan. We are assessing the next program, including accepting paying students, and researching bridge programs for graduates entering the working world.

Watson Primary School, November 2025: partners and local leaders.

Across the villages

At Kasolo, the Musana Primary School dining shade is complete and a three classroom block is under construction. At Nyafumba we are designing a boarding section for P6 and P7. In Nepal, the second phase of Saraswati Basic School was dedicated in March and the third phase was funded in April. The Lee Family Foundation committed to build two dorms at LPA.

~350

patients in the first two days, approximate

"We opened our doors April 10 and saw about 350 patients in the first two days."

Josh Pfeiffer Medical Center Operations, PA, RN

GOAL S1 p10

Open the **Eggum Family Medical Center** and build lasting operating support, the 2026 theme for the medical work.

ACTUAL S1 p17

Opened April 10. **~350** patients at the opening camp, **~175** at Sesera. Licensed, with electronic records.

NEXT S1 p17

A weekly health radio program, registration as an immunization site, and screenings at more schools.

Open to the community

The Eggum Family Medical Center opened April 10 and 11 with a two day medical camp that served about 350 patients, and about 175 more at an outreach in Sesera. We received our official license to operate, completed health screenings for every child at LPA, and replaced paper charts with electronic medical records so no child falls through the cracks.

The team and the tools

Dr. Amy Stone provides medical direction as a volunteer. We hired a lab technician and a full time radiographer for X ray and ultrasound, and added an immunoassay analyzer, a water bath for blood bank work, a phototherapy bed for newborns, and battery backups.

Reaching further

Radio health talks now reach eastern Uganda and western Kenya. A new borehole for surrounding villages builds trust and referrals, and Katerema Secondary School, home to 1,175 students, received a large scale water project. We are partnering with area hospitals and clinics.

Funding the work

A generous family gave $50,000 toward operating support. The clinic also began earning its own revenue: about $570 at the opening camp and about $1,150 in its first two to three weeks.

Josh Pfeiffer PLACEHOLDER

3

years of waiting, almost

“After almost three years of waiting, a sponsored boy in the Philippines had heart surgery.”

TRANSFORMATIONAL STORY · THE PHILIPPINES

Some stories are measured in years of waiting. For one sponsored boy in the Philippines, the wait for heart surgery lasted almost three. This year it ended, and the surgery was a success.

The full story, in his family's words, will be written with our Philippines partner before this report goes to print.

WHAT WE KNOW

- He is a sponsored child in the Philippines.
- In 2026 he had successful heart surgery, after waiting almost three years.

BACKUP STORIES

- A university student sponsored for three years through the Higher Education campaign
- A home for Waterman in Uganda, a July team project
- A home for Gustavo in Guatemala

TO GATHER BEFORE PRINT

PENDING CONSENT

- Consent to use his first name and photo, with no school or town
- His age, when he was sponsored, and what the wait was like
- Who funded the surgery and how he is doing now
- A quote from him, a parent, or the Philippines partner
- Before and after photos

Source: May 2026 board packet, Sponsorship report. Name withheld until family and partner consent is on file.

89

wells funded in 2026, through August

"We funded 89 wells through August, and two large gifts will carry clean water into 2027."

Laura Mills Water 4 Kids International

GOAL S1 p20

5 wells on World Water Day, with a match on the table.

ACTUAL S1 p20, S2 p2

$109,563 raised, funding **10 wells**. **89 wells** funded through August; 44 by May 19 against 31 in 2025.

NEXT S1 p20, S2 p2

Finish Tororo Girls School, begin Masindi, drill deep wells in Uganda, and start in Nepal and the Philippines.

Wells

We funded 89 wells through August. By May 19 we had 44, ahead of 31 at the same point in 2025. On World Water Day our goal was 5 wells; a generous match carried us to $109,563 and 10 wells. In Cambodia, we completed our 15th well with Rock Foundation.

Honest pacing

Water 4 Kids giving stood at $467,803 on May 19, behind $518,909 at the same point in 2025, before the two large gifts arrived in the third quarter.

Nepal, March 2026: one of 150 filter buckets changes hands.

225 filtration systems traveled with our teams this year: 150 to Nepal and 75 to Guatemala.

Guatemala, June 2026: a new filter on a family porch.

Large scale projects

The campus wastewater and soak pit project is complete. Water for Tororo Girls Secondary School, home to 2,300 boarding students, is underway, funded by $299,000 from the Morgan Family Foundation, and it earns our sponsored girls half tuition. The Masindi Centre for the Handicapped has been assessed. An unexpected gift of $250,000 will fund deep water wells in Uganda.

WALK 4 WATER, JANUARY TO MAY

- **6** events, Jan to May
- **753** walkers
- **$115,700** raised
- **11** wells funded

A third quarter walk in Lorton, Virginia funded 5 more wells.

Laura Mills PLACEHOLDER

Laura Mills, Water 4 Kids International

Wells funded, drilled and sponsored are different counts and are never added. Sources: May 2026 board packet; Q3 2026 board update.

25

new Ambassadors in 2026

"Twenty five new Ambassadors joined this year, carrying our story to campuses, churches and companies."

Jenny Herzog Global Engagement

GOAL to come from the author

Pending. The author's stated 2026 goal is not in the board documents yet.

ACTUAL S1 p19, S2 p3

25 new Ambassadors, **13** corporate sponsorship options, **17** GoFundMe campaigns.

NEXT S1 p19

Sign the first corporate sponsorship partners and send college students to Uganda in 2027.

Ambassadors

We relaunched the Ambassador program with missions that spread the word about key campaigns, plus a Difference Maker Kit. 61 former team members answered our Ambassador survey, and 25 new Ambassadors joined.

Companies and campuses

We built a tiered Corporate Sponsorship program for vocational training, the medical center, Food 4 Kids and Water 4 Kids, with flyers, video testimonials and a giving menu. Campus partnerships with Arizona State University, Grand Canyon University, St. John Fisher and Scholars Academy are shaping a 2027 Uganda trip designed for college students.

Churches and community

A presentation at St. Matthew's Lutheran Church in Virginia raised $7,750 for Namibia. A supporter led drive collected 1,500+ essential items and sponsored 6 girls, and a national women's Christian magazine published a team member's story of finding purpose in Uganda.

$976K

given in August, the highest month in H4KI history

"August was the highest giving month in our history, with our largest single day ever."

Mark Sorensen Marketing and Development

GOAL S2 p3

Move to a **new giving database** by **October 1**, with easier online giving.

ACTUAL S2 p3, S3 p1

$976K in August and **$536,000+** in one day. DonorPerfect and Givecloud live with Apple Pay; go live date to confirm.

NEXT S1 p22

A Next Gen Council, a Legacy Family Program, and up to $10,000 a month in Google Ad Grant search ads.

A record month

August was the highest giving month in H4KI history, about $976K, including our largest single day of giving ever, $536,000+. Our team's personal calls brought in $35,700 of the Founder's Day total, and we called partners to thank them for Founder's Day and Crisis Relief.

Easier giving

We moved to a new giving database with DonorPerfect and Givecloud, which makes online giving easier and adds Apple Pay. More partners now give through IRA charitable distributions, stock, donor advised funds and estate plans, and we promoted FreeWill estate planning during August, Make A Will Month.

The next generation

41% of our audience is 25 to 35. We are telling the story cause first on Instagram, TikTok and YouTube Shorts, forming a Next Gen Council, and using AI tools, including Claude, to strengthen our web content. We also refreshed our GuideStar and Candid profile.

"Look what you have done. You have made a significant difference, in every country we serve."

BECAUSE OF YOU

$4,028,186 given by partners so far in 2026

87 Brandom Vocational Skills Center graduates

80+ friends gathered to feed kids in January

$66,000 given on the first Founder's Day

89 wells funded in 2026

753 people walked for water

25 new Ambassadors joined the mission

Thank you for all you do for Hope 4 Kids International. Every well, classroom, checkup and meal in these pages began with you.

IN MEMORIAM

Pastor Neri Francisco

Ministerios Belen, Guatemala. Our longtime ministry partner, honored as one of H4KI's Heroes of the Faith for his faithful service and extraordinary commitment to serving others.

Children shown are from 2026 trips to Uganda, Romania, Namibia, Guatemala and Nepal. Sources: May 2026 board packet; Q3 2026 board update; September 2026 ministry update.

Hope 4 Kids International

Restoring hope to kids and families around the world since 1973.
